

DO I NEED TO SEE AN ALLERGIST?

Having allergies is no fun. In fact, it can be downright miserable. At Dakota Allergy & Asthma, we want to help you find relief! But before jumping into allergy treatment, we first have to determine the problem and the best path of action.

DO YOU SUFFER FROM ANY OF THESE SYMPTOMS OF ALLERGIC RHINITIS?

NOSE

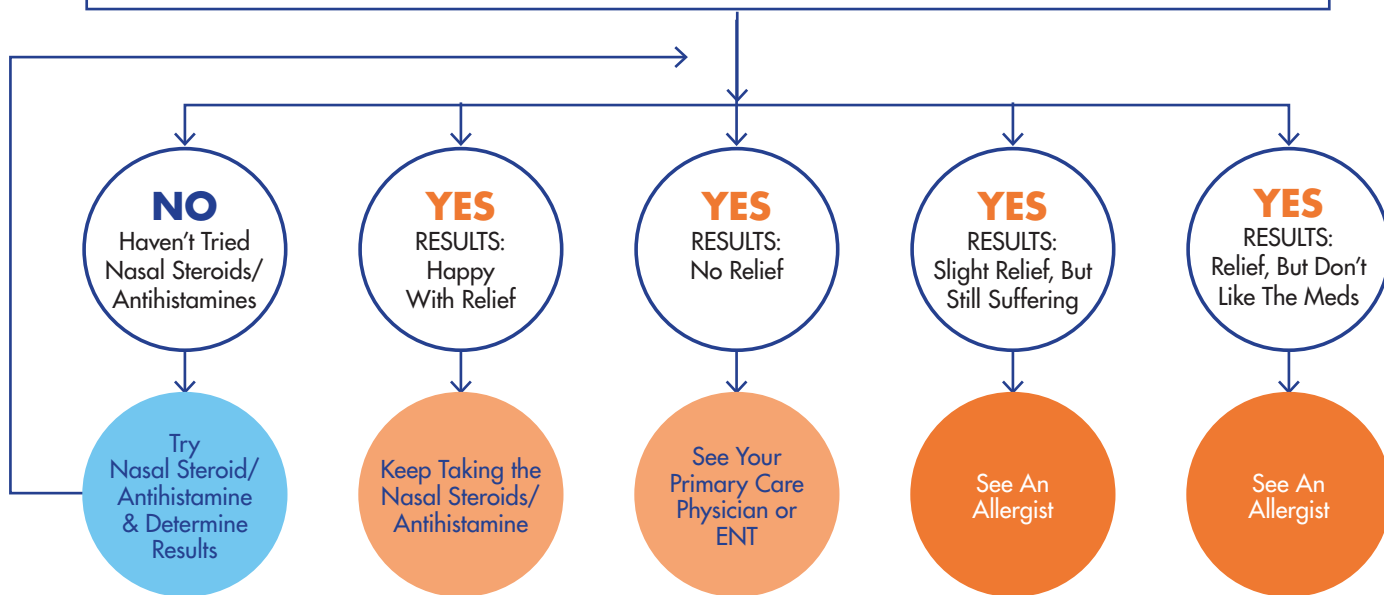

- Itching
- Stuffiness
- Sneezing
- Runny

EYES

- Itching
- Tearing

IF YOU ANSWERED YES...

HAVE YOU TRIED NASAL STEROIDS AND/OR ANTIHISTAMINES?
